## Start of term 3 and Kyu Grading 13th July 2015

Dear students, parents and carers,

Welcome back for term 3 after the school holidays. There are a couple of important notes this term which I will go into further detail below, 1. training location, 2. grading's and 3. term fees.

I'm was very impressed with attendance for the free holiday training program designed for the students grading. The vast majority turning up for the 2 normal Monday classes and also the day long grading seminar held on a Sunday. I hope you have all been practicing at home what you have learnt. A very special thank you (Arigato ありがとう) to the parents for bringing the students to these extra classes, I'm sure the students are very thankful.

### Training location from now to the 17th August

Training will continue in the main building class rooms until the 17th August due to the college commitments.

### Grading and Class times

Classes start at 6pm for Little Juniors like normal. All those grading please be there by 6:30pm especially if you are going for White and Yellow belts. There will be some space for people to practice further down the hallway. Or during the normal class next door.

### Grading

The two classrooms will be divided this week, one for regular class, and the other for grading's. Unfortunately due to restriction of space only the students and instructors will be allowed in the room. Parents will be able to watch through the windows.

Please check the list on the next page to make sure you are on the **grading list**, if not contact me urgently on 0407040767

We will have two JKA black belts taking the normal classes which will allow me help and support the students grading.

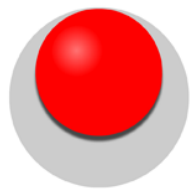

I hope everyone has practised and knows their Kihon (basics) Kata (Pattern) and Kumite (Sparring), last two if required. Your requirements can be found here [http://www.martial-arts-karate.com.au/Documents/Student\\_Information\\_Pack.pdf](http://www.martial-arts-karate.com.au/Documents/Student_Information_Pack.pdf)

I will be able to help you with if the Japanese does not make sense. Watch Shihan Nishimura because he often demonstrates with his hands anyway, if you are still unsure look to me and I will demonstrate.

If you have not already done so please finalize any payments for JKA Passports (\$25). On Monday night the grading fee will be \$50, we are requesting this in cash so we can remunerate the 2 examiners on the night and thank them for giving up their time and come to Greensborough. Nishimura Shihan and Ross Sensei both normally run classes on a Monday night, so they are giving up their regular duties to conduct our grading.  
**Remember to thank them when you finish your grading.**

### Term 3 Fees

**Term 3 fees are now due.**
